GROUP 3600

Sir:

In reply to the Office Action dated September 13, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please replace claims 1, 3, 5, 6, 13, 15, 16, 18, 19 and 21 as follows:

- Sub B1
a1
1. (Amended) A portable information terminal comprising:
 - a storage unit for correlating and storing location information and data;
 - a receive unit for receiving location information;
 - an extract unit for extracting data correlated with the received location information from among data stored in the storage unit; and
 - an information notification unit for notifying a user of the portable information terminal of information derived from the extracted data.
 3. (Amended) A portable information terminal of Claim 1, further comprising:
 - a location information select prompting unit for prompting the user to select a location information from among different pre-stored location information; and
- a2
